

# Distance MBA in Operations Management **NEEV** 27 Education Pvt Ltd YEARS

In this course, you'll learn how to make sure businesses run smoothly. That means figuring out how to make things better, managing how products are made, and making sure everything gets where it needs to go on time. Once you finish, you could work in a job where you manage how a company works, in a job where you handle how products get made and delivered, or in a company that makes things.
